

There
She
Goes

[illegible]

I Just Can't Contain

this feeling that **remains**

[illegible]

Pulsing
Pulsing
Pulsing
Pulsing

THROUGH MY VEIN

The background features a series of overlapping, curved, organic shapes in various shades of orange and yellow, creating a sense of movement and depth. The shapes are layered, with some appearing more prominent than others, and they generally curve from the top left towards the bottom right.

And I just can't contain
This feeling that remains

An abstract graphic design featuring a series of concentric, overlapping circles and bands in various shades of orange and white. The design is minimalist and modern, with a focus on geometric shapes and color contrast. The text "There she goes" and "There she goes again" is written in a white, serif font, positioned within the orange bands. The overall composition is balanced and visually appealing, with a sense of movement and rhythm created by the overlapping shapes.

There she goes

There she goes again

There she goes again

This feeling that remains

my name, pulls my train

NO ONE ELSE

Could I Heal My Pain?

NO ONE

But I Just Can't Contain
